

ORDINANCE 2016-11

**ORDINANCE OF THE BOROUGH OF BELMAR, AMENDING CHAPTER XXVII,
STREET EXCAVATIONS, SIDEWALKS AND CURBS**

WHEREAS, the Borough of Belmar wishes to amended Chapter 27, Section 2.3(d), Specifications for Sidewalks and Pavements as follows:

27-2.3 Specifications for Sidewalks and Pavements.

d. All sidewalks located on Main Street and in front of any business, public or commercial property within the CBD-1, CBD-2, and B-C Zones shall be constructed of concrete pavers, in accordance with such specifications governing color, style, manufacture and installation as shall be recommended from time to time by the Borough Engineer and adopted by resolution of the Borough Council. All other sidewalks shall be paved with concrete. All concrete shall be at least four (4") inches thick, except that at driveways the concrete shall be at least six (6") inches thick. It shall be properly laid on a firm foundation and shall be composed of one (1) part Portland cement, two (2) parts sand and four (4) parts gravel. A property that currently has slate or brick sidewalks in lieu of concrete shall have the option of replacing their sidewalks with slate or brick upon approval from the Director of Code Enforcement.

SECTION II. If any section, paragraph, subdivision, clause or provision of this ordinance shall be adjudged invalid, such adjudication shall apply only to the section, paragraph, subdivision, clause or provision so adjudged and the remainder of the Ordinance shall be deemed valid and effective.

SECTION III. All Ordinances or parts of ordinances inconsistent with or in conflict with the ordinance are hereby repealed to the extent of such inconsistency.

SECTION IV. This Ordinance shall take effect 20 days after final passage, adoption and publication according to law.
