ARTICLE II IMPLEMENTATION OF THE PROJECT

Section 2.1 Description of the Project. (a) Subject to the terms and conditions in this Agreement, Redeveloper agrees, at its sole cost and expense (except to the extent financed, reimbursed by, or paid by third parties in the ordinary course of business in connection with the development of the Project, other than the Borough), to implement and complete the redevelopment of the Project Area which shall consist of the following, as applicable: (i) ten (10), single-family townhomes, each with three (3) bedrooms and a two (2) car garage; (ii) the procurement of all applicable Governmental Approvals for all Project Improvements; (iii) financing, design, construction and Completion of all Project Improvements; (iv) marketing of the Project as necessary to ensure sufficient tenants to facilitate the financing, leasing, sale and occupancy of the improvements; and (v) payment of the Borough Costs in accordance with the terms of this Agreement (collectively, the "**Project**").

(b) The Project shall in all material respects be constructed consistent with this Agreement, the Redevelopment Plan and Applicable Law.

(c) Redeveloper has been designated as the exclusive redeveloper of the Project Area and shall have the exclusive right to redevelop the Project Area and implement the Project in accordance with the terms and conditions of this Agreement.

Section 2.2 Term. This Agreement shall have a term of ten (10) years from the Effective Date subject to: (a) any extension by reason of a Force Majeure event in accordance with Section 2.5, or (b) any extension granted by the Borough, or its successor, pursuant to a request of Redeveloper which shall be governed by Section 1.3(g), or (c) the Project Schedule. Notwithstanding any of the foregoing, this Agreement shall terminate upon the issuance of Certificate of Completion.

Section 2.3 Project Schedule. (a) The Project Schedule shall control the Commencement, progress and Completion of the Project or Phases. The Parties agree and acknowledge that adherence to the Project Schedule is of the essence, subject to the provisions of Section 2.5. Redeveloper shall use commercially reasonable efforts, subject to obtaining Governmental Approvals, to Commence construction no later than the date set forth in the Project Schedule.

(b) Redeveloper may modify the Project Schedule from time to time; provided that (i) any such modification shall not change the Completion Date for the Project without the prior written consent of the Borough, and (ii) any material changes to the Project Schedule shall be subject to the Borough's review and consent, provided that in the case of either clause (i) or (ii) herein, the Borough will not unreasonably withhold, condition or delay its consent.

(c) Subject to the provisions of Section 2.5, Redeveloper shall use commercially reasonable efforts to Complete the Project in accordance with the Project Schedule.

(d) Since the Project consists of the development of a residential townhouse Project, as each unit is completed, the Redeveloper shall apply to the appropriate Governmental Body for a Certificate of Occupancy for each unit completed. When each unit has been completed and all site improvements completed, the Redeveloper shall apply for a Certificate of Completion from the Borough to memorialize the completion of improvements to common areas of the Project and final completion of each unit in accordance with the Project approvals.

(e) If, subject to the provisions in Section 2.5, Redeveloper fails to meet a Completion Date for any reason or determines that it will fail to meet a Completion Date for any reason, Redeveloper shall promptly provide notice to the Borough stating: (i) the reason for the failure or anticipated failure to meet the Completion Date, (ii) Redeveloper's proposed method for correcting such failure, (iii) Redeveloper's proposal for revising the applicable Completion Date, and (iv) the method or methods by which Redeveloper proposes to achieve subsequent tasks by the relevant Completion Dates. In such event the Borough's consent shall be required for the modification of the Completion Date(s), and such consent shall not be unreasonably withheld, conditioned or delayed. If the Borough does not so consent and Redeveloper fails to meet the Completion Date, then Redeveloper shall be in default hereunder.

(f) If Redeveloper has performed all of its duties and obligations under this Agreement and Completed the Project in its entirety, the Borough shall, as applicable, within thirty (30) days

of the issuance of a Certificate of Occupancy for the last unit constructed and granted approval for all improvements to the common elements, and receipt of a written request from Redeveloper, issue a Certificate of Completion. The Certificate of Completion shall constitute a recordable, conclusive determination of the satisfaction and termination of the agreements and covenants in this Agreement, the Redevelopment Plan and Applicable Laws, with respect to the obligations of Redeveloper to construct the Project, as applicable. As residential units are sold, the Borough shall issue Certificate of Completions for the completed unit to allow the Redeveloper to convey marketable title to the units to purchasers of each unit and will cooperate in the issuance of appropriate recordable documents to memorialize same.

(g) In the event the Borough does not issue any such Certificate of Completion, as applicable, within thirty (30) days after submission of written request by Redeveloper, the Borough shall provide Redeveloper with a written statement setting forth in detail the reasons why it believes that Redeveloper has failed to Complete the Project in accordance with the provisions of this Agreement, the Redevelopment Plan and Applicable Laws and what measures or acts the Borough deems will be necessary in its reasonable opinion in order for Redeveloper to be entitled to the applicable Certificate of Completion (the "**Certificate Denial Statement**"). Redeveloper may rely on the Certificate Denial Statement in determining what action it must take in order to achieve the requested Certificate of Completion, as applicable. In the event of a dispute over issuance of a Certificate of Completion, the Parties shall cooperate in good faith to resolve such dispute and, thereafter, either Party may take such legal action as it deems appropriate.

(h) Upon the issuance of the Certificate of Completion, the conditions determined to exist at the time the Redevelopment Area was determined to be an area in need of redevelopment shall be deemed to no longer exist with respect to the portion of the Redevelopment Area upon which the Project is located. The land and improvements within the Project shall no longer be subject to any covenant herein encumbering the Redevelopment Area.

Section 2.4 Project Oversight. (a) Redeveloper agrees to hold a reasonable number of regular progress meetings with designated representatives of the Borough (each a "**Borough Representative**," a complete list of whom are attached as **Exhibit E**) upon the Borough's reasonable request, to report on the status of the Project and to review the progress under the Project Schedule, provided that Redeveloper need not hold more than one progress meeting each calendar week. To the extent practicable, the meetings shall be held within five (5) business days of Redeveloper's receipt of the Borough's request for such a meeting, at such office as is maintained by Redeveloper in the Borough, as designated by Redeveloper, or at the Project Area.

(b) Redeveloper shall submit to the Borough detailed quarterly written progress reports (or more frequently, if reasonably requested by the Borough) which shall include a description of activities completed, the activities to be undertaken prior to the next Progress Report, the status of all Governmental Approvals, status of all Remediation activities, an explanation of each activity, if any, which is showing delay, a description of problem areas, current and anticipated delaying factors and their estimated impact on performance of other activities and Completion Dates in the

Project Schedule, an explanation of corrective action taken or proposed and such other information as may be reasonably requested by the Borough (collectively, the **"Progress Report"**).

(c) The Borough and the Borough Representatives reserve the right to enter upon the Project Area, upon reasonable notice to Redeveloper and during business hours, to visually inspect the site for informational purposes and observe Remediation, demolition and construction activities, subject to the Borough's acknowledgment that the Project Area will be an active construction site, and Redeveloper shall not be liable or responsible to the Borough, Borough Representatives, or their respective employees, agents or invitees for damages arising from injury to person or property sustained in connection with such inspections except to the extent that Redeveloper violates the standard of due care owed to invitees. Any persons present at the Project Area pursuant to the foregoing sentence will comply with all applicable reasonable health and safety rules established by the Redeveloper and/or General Contractors for personnel present on the Project Area. The Borough shall have the right but not the obligation to obtain duplicate samples from Redeveloper collected as part of the Remediation of the Project Area. Such inspections and observations shall not relieve Redeveloper from its obligation to implement the Project and Remediate the Project Area in accordance with this Agreement. In no event shall the Borough's inspection of the Project under this Section 2.4(c) be deemed acceptance of the work or deemed to waive any right the Borough has under this Agreement. Representatives of any Governmental Body with permitting jurisdiction over the Project, the Project Area or the Remediation shall be permitted to enter the Project Area at any time.

Section 2.5 Tolling. Redeveloper shall diligently adhere to the Project Schedule and the provisions set forth in this Article II, provided that such obligations shall be extended on a day for day basis for each day that Redeveloper's performance hereunder is delayed by (a) the occurrence of an event of Force Majeure or (b) an extension of the dates for Completion of any Project granted by the Borough, in its sole discretion, pursuant to Section 2.3(e). If a delay only affects a portion of the Project, the extension granted hereunder shall only apply to the obligations so affected and Redeveloper shall, to the extent practicable, continue to perform its obligations with respect to the balance of the Project.

Section 2.6 Infrastructure Improvements. Redeveloper will design and construct the Infrastructure Improvements in a good and workmanlike manner and in substantial accordance with all Applicable Laws. Redeveloper acknowledges the presence of certain existing utility structures, including but not limited to electric power transmission lines, sewer transmission conduits or pipes, water lines or pipes, storm sewers, telephone transmission lines, television cable lines and other utilities, and agrees to undertake the appropriate measures to negotiate with, acquire, relocate or otherwise address the existence of these utilities and easements therefor, in order to complete the Project as provided by this Agreement. Site plan approval may be conditioned upon other on-site and off-site improvements specific to the Project, consistent with the authority of the Planning Board and consistent with the Land Use Law, as amended from time to time. If site plan approval is so conditioned, Redeveloper shall exercise reasonable efforts to ensure the effective coordination of such improvements and shall cooperate with the Borough in

all respects to ensure that the implementation of the Project does not unreasonably interfere with the operation of the existing utilities. Redeveloper agrees to provide the Performance and Maintenance Bonds as required by the Planning Board, consistent with the authority of the Planning Board under the Land Use Law, as amended from time to time, and in accordance with the provisions of Section 4.3.

Section 2.7 Prohibition Against Suspension, Discontinuance or Termination. Redeveloper shall not suspend or discontinue its performance of its obligations under this Agreement for a period exceeding thirty (30) days or terminate this Agreement (other than in the manner provided for herein) for any reason except to the extent permitted by Section 2.5, but only to the extent and for the period of time permitted by Section 2.5. The normal construction industry shut down of certain products in the winter months shall not be considered a suspension or discontinuance by the Redeveloper.

Section 2.8 Certificate of No Default. Redeveloper shall deliver to the Borough a certificate to the effect that Redeveloper is not aware of any condition, event or act which constitutes a violation of this Agreement or which would constitute an Event of Default hereunder and to its act and knowledge no condition, event or act exists which, with notice or lapse of time, or both, would constitute such a violation, or Event of Default, or if any such condition, event or act exists, specifying the same (the "**Certificate of No Default**"). The Certificate of No Default shall be delivered to the Borough on an annual basis within ninety (90) days after the close of each fiscal year for Redeveloper.

Section 2.9 Cooperation. The Parties shall fully cooperate with each other as necessary and desirable to accomplish the Project, including entering into additional agreements that may be required, provided, however, that such actions shall not result in a material increase in the Borough's and Redeveloper's respective obligations hereunder or material decrease in the Borough's and Redeveloper's respective rights hereunder. The Borough specifically agrees to cooperate with the Redeveloper to effect changes to the Redevelopment Plan consistent with the instructions of the Redevelopment Plan and this Agreement.

ARTICLE III PROJECT APPROVALS

Section 3.1 Governmental Approvals and Third Party Approvals. (a) Redeveloper shall use commercially reasonable effort to secure, or cause to be secured, any and all Governmental Approvals and Third Party Approvals for the Project in order to cause Commencement, Completion and Remediation of the Project and Project Area in accordance with the Project Schedule and the provisions of Section 2.3.

(b) The Borough agrees to reasonably cooperate with Redeveloper and use reasonable efforts to support any application for and to obtain any Governmental Approvals and Third Party Approvals that are consistent with the terms of this Agreement, the Redevelopment Plan and

Applicable Laws and the approved site plan, and at the request of Redeveloper to execute any documents required to obtain such approvals, provided that, nothing in this Section shall be deemed: (i) to constitute an approval of all or any portion of the Project for which Governmental Applications have been submitted or are required; or (ii) a waiver of the ability of the Planning Board or any other Governmental Body having jurisdiction thereof from exercising its statutorily authorized responsibilities with respect to the Governmental Applications or Governmental Approvals required by Applicable Law. Redeveloper shall update the list of all Governmental Approvals as part of the Progress Reports, if and as appropriate during the Project and provide copies to the Borough. Prior to submission of any Governmental Applications, Redeveloper shall provide to the Borough a concept plan for its review and comment. All Governmental Applications shall comply with the Site Plan Approval. Redeveloper shall provide the Borough with copies of all other Governmental Applications promptly upon submission of same. Further, Redeveloper shall provide the Borough with copies of all hearing notices promptly upon receipt of same and shall promptly inform the Borough of the results of such hearings and Governmental Applications.

(c) No Governmental Approval shall be deemed "final" until (i) the time for all appeals has run without the filing of an appeal or (ii) in the event an appeal is filed, all such appeal(s) have been resolved fully in favor of the Project and/or Redeveloper and the time for filing any further appeal has expired without the filing of any such appeals.

(d) Redeveloper shall have the right but not the obligation to contest any unsatisfactory requirement or condition with respect to the Project imposed on Redeveloper as a condition to a Governmental Approval; provided that Redeveloper shall comply with any such requirement or condition if Redeveloper is unsuccessful in contesting same and the requirement or condition will not have a material adverse financial or operational impact on Redeveloper in connection with the Project, as determined by Redeveloper in the exercise of its reasonable business judgment. If Redeveloper is unsuccessful in contesting any unsatisfactory requirement or condition and the requirement or Redeveloper determines that such condition will have a material adverse financial or operational impact on Redeveloper in connection with the Project, in the exercise of Redeveloper's reasonable business judgment, Redeveloper may terminate this Redevelopment Agreement pursuant to Section 12.2(c) of this Agreement. Redeveloper shall diligently pursue the satisfaction of any unsatisfactory requirement such that the Borough bears no material adverse financial impact.

(e) In the event that Redeveloper's application for any Governmental Approval is denied or any Person brings an action that contests or challenges the grant of any Governmental Approval, then Redeveloper shall have the right in its sole discretion to (i) modify and resubmit such application, if applicable, in order to secure such Governmental Approval, provided that such modification is consistent with this Redevelopment Agreement and the Redevelopment Plan, and does not result in a material change to the Project as contemplated herein, or (ii) appeal or defend against such action, or (iii) terminate this Agreement by providing written notice to the Borough in accordance with the provisions of Section 12.2(c) of this Agreement.

Section 3.2 Borough Approval. The Borough has reviewed Redeveloper's site plans for the Project and acknowledges that the plans comply with the Redevelopment Plan and with this Agreement. The Borough agrees to rely upon the Planning Board's review of all development applications, providing its recommendations to the Planning Board for consideration by the Planning Board in connection with Redeveloper's site plan applications. Redeveloper shall provide initial construction drawings to the Borough prior to issuance of a building permit for the Project. Upon Completion, Redeveloper shall provide as-built drawings for the Project to the Borough.

Section 3.3 Tax Obligations. The Redeveloper has submitted an application for a payment in lieu of tax plan. That plan has been rejected by the Borough. There will be no PILOT Agreement.

The Parties agree that the taxes to be paid by the Redeveloper will reflect a nine year progressively upward assessment and payment. The Parties agree that the tax payments shall be made in the normal course, and reflect a nine-year increase in assessments. The assessment for the proposed townhouse units shall be set at \$100,000 for each unit, and taxed accordingly, as of the later date of: (1) the filing of the subdivision map; (2) demolition of the existing improvements on the Property; (3) the assessing date for the removal of the improvements to the Property due to the demolition. Thereafter, the assessment shall increase 12.5% per year over the following eight years. Payments shall be made in quarterly installments commencing on the succeeding quarterly tax payment due after the first anniversary of the date of issuance of the certificate of occupancy for each unit of the townhouse development.

ARTICLE IV FINANCING OF THE PROJECT

Section 4.1 Redeveloper Financial Commitment. (a) **Project Costs.** Except with respect to the provisions of Section 3.3, all costs of implementing and Completing the Project, including but not limited to the cost of obtaining all Governmental Approvals, the cost of the acquisition of the Project Area, the cost of designing and constructing (including the costs of any construction observation services) all Project Improvements, all financing costs, all marketing and leasing costs for the Project Improvements, the Borough Costs and the Total Project Cost (collectively, the "Project Costs") shall be borne by Redeveloper (except to the extent financed, reimbursed by, or paid by third parties in the ordinary course of business, other than the Borough).

(b) **Payment of Borough Costs.** Redeveloper has funded an escrow in the amount of \$20,000 with the Borough to provide funding to the Borough for all out of pocket costs incurred

by the Borough in connection with the Project. Such out of pocket costs shall include, but are not limited to, all fees and costs of any outside professional consultant, legal, engineering or financial advisory services retained by the Borough related to the Project (the "Borough Costs"). The Borough shall provide the Redeveloper with a copy of each invoice reflecting the Borough Costs to be paid. Unless the Redeveloper promptly (within 10 days of its receipt of any such copy) provides a written objection to any invoiced item as not being an Borough Cost, the Borough shall be free to withdraw funds from the Escrow for payment of such invoiced services. From time to time during the implementation of the Project and until its completion, the Redeveloper agrees to maintain, and if necessary, replenish the Escrow to Twenty Thousand Dollars (\$20,000.00) if and when the Escrow is drawn down to or below Ten Thousand Dollars (\$10,000), upon the request of the Borough to provide for the requisite minimum balance, to cover anticipated costs as provided in this Agreement. Any dispute concerning payment of the Borough Costs shall be resolved in accordance with the procedures set forth in *N.J.S.A. 40:55D-53.2a*. Upon the issuance of the Certificate of Completion, or upon termination of this Agreement, except in the event of a termination caused by a default of the Redeveloper, any money remaining in the Escrow shall be disbursed to the Redeveloper, except that the Borough may retain an amount sufficient to cover reasonably budgeted expenses.

Section 4.2 Governmental Approval Fees. Redeveloper shall pay all fees for permits required by the Borough (in accordance with standard fees provided in the Borough's municipal code) and any other Governmental Body for the construction and development of the Project in accordance with Applicable Laws. Redeveloper shall pay all other permit fees, which include any permit fees payable by the Borough or Redeveloper to all required Governmental Bodies other than the Borough, or for which the Borough is required to reimburse other Governmental Bodies or for which the Borough pays to the County of Monmouth or is required to pay other third party contractors retained by or on behalf of the Borough to perform services which the Borough would otherwise be required to perform itself.

The Parties acknowledge and agree that there are currently no payments required to be made by the Redeveloper for any off-site infrastructure improvements made by the Borough or any other developer.

Section 4.3 Performance and Payment Bonds. Redeveloper shall require its general contractors or project managers (collectively "**General Contractors**") for the Project Improvements to furnish a performance bond and a payment bond each in forms as specified in the Land Use Law, as amended from time to time, (collectively, the "**Performance and Maintenance Bonds**") as security for the performance of the obligations of the General Contractors under the contracts for the Project Improvements. In the event Redeveloper is entitled to and fails to exercise its rights under the Performance and Maintenance Bonds and/or if there occurs an Event of Default by Redeveloper, then the Borough shall thereafter have the right to the protections and guarantees available through and from the surety provided by the Performance and Maintenance Bonds. The Performance and Maintenance Bonds shall name Redeveloper and the Borough, as their respective interests may appear, as beneficiaries of the Performance and

Maintenance Bonds and of all rights, payments and benefits flowing or deriving from the Performance and Maintenance Bonds. The Performance and Maintenance Bonds must include coverage for any approved change orders to work material to Completion of the Project Improvements, and Redeveloper agrees that it will comply and cause its contractors to comply with all requirements set forth in the Performance and Maintenance Bonds in connection therewith. The cost of obtaining the Performance and Maintenance Bonds shall be borne by Redeveloper or its contractors. The redeveloper shall not be required to post Performance and Maintenance Bonds for any "private" improvements (i.e. all "onsite" drainage, curbing, sidewalk, paving, landscaping, etc. that does not affect any public rights-of-way).

Section 4.4 Mortgage Financing; Notice of Default to Mortgagee; Right to Cure.

(a) **Mortgage Financing.** (i) Redeveloper shall not engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Project Area, whether by express agreement or operation of law, or suffer any encumbrance or lien (other than liens for governmental impositions) to be made or attach to the Project Area in excess of ninety percent (90%) of the greater of the Project Costs except as may be approved by the Borough for the purpose of obtaining funds in connection with the development and construction of the Project; provided, however, that upon the issuance of a Certificate of Completion for the Project, such prohibition shall no longer apply with respect to the Project Improvements. Redeveloper, or its successor in interest, shall notify the Borough in advance of any such financing secured by a mortgage or other lien instrument which it proposes to enter into with respect to the Project or any part thereof (the mortgagee thereunder or its affiliate, a "**Holder**") and, in any event, Redeveloper shall promptly notify the Borough of any encumbrance or lien (other than liens for governmental impositions) that has been created on or attached to any portion of the Project Area, whether by voluntary act of Redeveloper or otherwise, upon obtaining actual knowledge or notice of same.

(ii) To the extent reasonably requested by Redeveloper, the Borough shall execute such other agreements and/or documents (to the extent same are in form and content reasonably acceptable to the Borough) as may be requested or required by any Holder; provided, however, that any such agreement or document shall not materially and adversely alter any of the rights or obligations of Redeveloper or the Borough under this Agreement.

(b) **Notice of Default to Holder and Right to Cure.** (i) Whenever the Borough shall deliver any notice or demand to Redeveloper with respect to any breach or default by Redeveloper under this Redevelopment Agreement, the Borough shall at the same time deliver to each Holder a copy of such notice or demand, provided that Redeveloper has delivered to the Borough a written notice of the name and address of such Holder. Each such Holder shall (insofar as the rights of the Borough are concerned) have the right at its option within ninety (90) days after the receipt of such notice, to cure or remedy, or to commence to cure or remedy, any such default which is subject to being cured and to add the cost thereof to the debt and the lien which it holds.

(ii) To the extent that any Holder is required to foreclose against any lien it has with respect to the Project (as a result of a Redeveloper Event of Default or a default by

Redeveloper under any agreements executed by Redeveloper and its Project lenders), the Borough agrees to forebear from the enforcement of any remedies provided under this Agreement that it may have against Redeveloper in order to permit such Holder to foreclose and assume or cause a third party to assume the obligations of Redeveloper under this Agreement; provided, however, that the Borough shall not be obligated to forebear from the exercise of any remedies available to it hereunder if such forbearance will result (or may result, in the reasonable judgment of the Borough) in a waiver of the Borough's rights under this Agreement or a material and adverse effect on the Borough's rights or performance obligations hereunder or any material increase in the Borough's financial obligations hereunder.

(c) **No Guarantee of Development, Construction or Completion of the Project.** A Holder shall have the right at its sole discretion to, but in no manner shall be obligated by the provisions of this Redevelopment Agreement to, develop, construct or Complete the Project (or portion to which its mortgage relates), or to guarantee such development, construction or Completion; nor shall any covenant or any other provisions be construed to so obligate a Holder. Notwithstanding the foregoing, nothing contained in this Redevelopment Agreement shall be deemed to permit or authorize such Holder to undertake or continue the development, construction or Completion of the Project, or portion to which its mortgage relates (beyond the extent necessary to conserve or protect the Holder's security, including the improvements or construction already made), without the Holder first having expressly assumed Redeveloper's obligations to the Borough going forward from and after the date of such assumption with respect to the Project (or portion to which its mortgage relates) by written agreement reasonably satisfactory to the Borough and the Holder.

(d) **Foreclosure.** If a Holder forecloses its mortgage secured by the Project Area (or portion to which its mortgage relates), or takes title to the Project Area (or portion to which its mortgage relates) by deed-in-lieu of foreclosure or similar transaction (collectively a "**Foreclosure**"), the Holder shall have the option to sell the Project Area and the Project to a Person reasonably acceptable to the Borough, which shall assume the obligations of Redeveloper under this Redevelopment Agreement in accordance with Applicable Law. In the event of a Foreclosure and provided the Holder or the purchaser is in compliance with this Redevelopment Agreement, the Borough shall not seek to enforce against the Holder or purchaser of such parcel any of the remedies available to the Borough pursuant to the terms of this Redevelopment Agreement available in connection with the events preceding the Foreclosure. The Holder, or the Person assuming the obligations of Redeveloper as to the parcel affected by such Foreclosure or sale, in that event must agree to Complete the Project in the manner provided in this Redevelopment Agreement, but subject to reasonable extensions of the scheduled Completion Date, and shall submit evidence reasonably satisfactory to the Borough that it has the qualifications and financial responsibility necessary to perform such obligations. Any such Holder or Person assuming such obligations of Redeveloper, properly Completing Project Improvements shall be entitled to a Certificate of Project Completion in accordance herewith. Nothing in this Redevelopment Agreement shall be construed or deemed to permit or to authorize any Holder, or such other Person assuming such obligations of Redeveloper, to devote the Project Area, or any part thereof, to any

uses, or to construct any improvements thereon, other than those uses or improvements provided for or authorized by this Redevelopment Agreement.

(a) The Borough has the legal power, right, authority and means to enter into this Agreement and the instruments and documents referenced herein to which the Borough is or may be a party, to consummate the transactions contemplated hereby, to take any steps or actions contemplated hereby, and to perform its obligations hereunder.

(d) The Borough represents that to the best of its knowledge there is no action, proceeding or investigation now pending or threatened, nor any basis therefore, known or believed to exist which questions the validity of this Agreement or any action or act taken or to be taken by the Borough concerning the subject matter of or pursuant to this Agreement.

reference and such requirements shall become a part of this Redevelopment Agreement. If such incorporation occurs and results in a change in the obligations or benefits of one of the Parties, the Borough and Redeveloper agree to act in good faith to mitigate such changes in position in order to conform as nearly as possible to the terms of this Agreement at the time of execution. In the event despite the efforts of the Parties to mitigate, such change results in a material adverse financial impact on either Party, either Party may terminate this Redevelopment Agreement by providing written notice to the other Party within thirty (30) days of the discovery of the deemed incorporation of any such clause.

Section 5.4 CAFRA and Waterfront Act Permits. The redeveloper shall be responsible for securing and providing all temporary and/or permanent permits as required by the Coastal Area Facility Review Act, *N.J.S.A. 13:19-1 et seq.* ("CAFRA") and the Waterfront Development Act, *N.J.S.A. 12:5-1 et seq.* (the "Waterfront Act") for the development of the Project in the Redevelopment Area. (e) Redeveloper shall use diligent efforts to obtain all Governmental Approvals and Third Party Approvals requisite to the construction, development, use and occupancy of the Project and Remediation of the Project Area, including evidence reasonably satisfactory to the Borough that the Project is in compliance with all Applicable Laws, including the Environmental Laws.

(f) Subject to the provisions of Sections 2.5 and 2.7 of this Agreement, Redeveloper shall not suspend or discontinue the performance of its obligations under this Redevelopment Agreement (other than in the manner provided for herein) for any reason, including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, commercial frustration of purpose, or any damage to or destruction of the Project.

(g) Redeveloper shall not use the Project Area, Project Improvements, or any part thereof in a manner that is inconsistent with the Redevelopment Plan and this Redevelopment Agreement.

(h) Until a Certificate of Completion has been issued for the Project, Redeveloper cannot sell, convey, lease, or otherwise transfer all or any portion of the Project without consent from the Borough, except for the sale of individual townhouse units and as otherwise permitted by this Agreement (including as set forth in Article XII), provided that nothing contained in this Agreement shall prevent Redeveloper from entering into contracts of sale or leases which are conditioned upon obtaining a Certificate of Occupancy or Certificate of Completion as applicable.

(i) Redeveloper shall comply with all Applicable Laws that prevent discrimination against any person, or group of persons, on the basis of age, race, color, religion, creed, national origin, ancestry, physical handicap, familial status, sex, or sexual orientation in the sale, lease, sublease, rental, transfer, use, or occupancy of any Property in the Redevelopment Area, or any part thereof.

(a) In amplification, and not in restriction, of the provisions of this Article VI, it is intended and agreed that the Borough and its successors and assigns shall be deemed beneficiaries of the terms and covenants set forth in this Redevelopment Agreement, both for and in their own right but also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such agreements and covenants have been provided. Such agreements and covenants shall (and the Declaration shall so state) run in favor of the Borough for the entire period during which such agreements and covenants shall be in force and effect, without regard to whether the Borough has at any time been, remains, or is an owner of any land or interest therein. The Borough shall have the right, in the event of any material breach of any such agreement or covenant beyond any applicable notice and cure period, to exercise all the rights and remedies and to maintain any actions or suits at law or in equity or other lawful proceedings to enforce the curing of such breach of agreement or covenant, to which it or any other beneficiaries of such agreement or covenant may be entitled.

(c) Upon Completion of the Project, the conditions that were found and determined to exist at the time the Redevelopment Area was determined to be in need of redevelopment shall be

deemed to no longer exist and the conditions and requirements of *N.J.S.A. 40A:12A-9* shall be deemed to have been satisfied with respect to the Project.

ARTICLE VII ENVIRONMENTAL OBLIGATIONS

Section 7.1 Remediation of Project Area. To the extent required, if any, Redeveloper shall be responsible for any and all Remediation required with respect to the development of the Project Area, whether known or unknown, located on, under or migrating from the Project Area to the extent required by the NJDEP.

Section 7.2 Indemnification of Borough. Redeveloper shall defend, protect, indemnify and hold harmless the Borough Indemnified Parties from any Claims which may be sustained as a result of any environmental conditions on, in, under or migrating to or from the Project Area to the extent that any such liabilities, obligations, claims, damages, losses, proceedings or costs attached to the Borough Indemnified Parties as a result of this Agreement or the actions or omissions of Redeveloper or its General Contractors pursuant to this Agreement, including, without limitation, Claims against the Borough Indemnified Parties by any third party.

ARTICLE VIII REQUIRED UNDERTAKINGS

Section 8.1 First Source Employment. Until the issuance of the Certificate of Completion, Redeveloper shall make good faith efforts to employ, and shall provide in its contracts with its General Contractors that they must make good faith efforts to employ qualified residents of the Borough in the construction of the Project by Redeveloper. Inclusion of the requirements in this Article VIII in Redeveloper's general contract agreements shall fully satisfy this obligation of Redeveloper under this Article VIII. Redeveloper, in its sole discretion, shall determine if, and the extent to which, it shall use union labor for the construction of the Project.

Section 8.2 Affirmative Action. Redeveloper, during the construction of the Project, shall undertake a good faith effort to comply with, and shall provide in its contracts with its General Contractors an obligation to undertake good faith efforts to comply with the following:

- (a) The affirmative action provisions attached hereto as **Exhibit G**;
- (b) (c) Where applicable, Redeveloper and/or its General Contractors will at all times conform to all Applicable Laws.

Section 8.3 Equal Opportunity Employment. Redeveloper agrees, during implementation of the Project, as follows:

- (a) Redeveloper and/or its General Contractors will not discriminate against any

employee of Redeveloper and/or its General Contractors or applicant for employment because of race, color, religion, sex, or national origin. Redeveloper and/or its General Contractors will take appropriate action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Redeveloper and/or its General Contractors agree to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause and any such notices provided by the Borough that are consistent therewith.

(b) Redeveloper and/or its General Contractors will, in any solicitations or advertisements for employees placed by or on behalf of Redeveloper, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

(c) The obligations contained in this Article VIII shall be binding on all General Contractors to the extent that any work is done by any General Contractors, and Redeveloper's and/or its General Contractors' obligation with regard thereto shall be to provide that any General Contract entered into by Redeveloper shall so provide.

Section 8.4 Supervision. Redeveloper and/or its General Contractors, Project and/or construction manager(s) acting on Redeveloper's behalf shall supervise and direct the contractors and subcontractors. Redeveloper and/or its General Contractors shall use reasonable efforts to cause the contractors and subcontractors to (a) confine operations in the Project Area, or areas appurtenant thereto, to areas permitted by the Governmental Approvals and Applicable Laws, and (b) not unreasonably encumber the Project Area or areas appurtenant thereto with materials or equipment.

Section 8.5 Neighborhood Impacts. Redeveloper shall take all commercially reasonable steps to minimize negative effects that the construction of the Project may produce the areas immediately surrounding the Project Area.

Section 8.6 Traffic. Redeveloper and the Borough agree that the direction, flow and amount of traffic in and around the Project Area during the time of construction are an issue to be addressed during the construction of the Project. Redeveloper herein commits to exert commercially reasonable efforts to minimize the traffic effects of the Project upon the surrounding neighborhoods during construction.

Section 8.7 Rodent, Insect and Animal Control. Redeveloper will take all commercially reasonable steps necessary to minimize and control the migration of rodents, insects, or other animals from the Project Area during the construction of the Project. Redeveloper will undertake to provide controls in accordance with all Applicable Laws and other construction

standards such that the issue of rodent, insect and animal control is reasonably addressed prior to the Commencement of Construction. Redeveloper agrees to coordinate this effort with the Borough's Department of Health.

Section 8.8 Illumination, Noise, Pollution or Damage. Redeveloper is mindful of the size of the Project and the potential effects that the construction of such an undertaking may have on the surrounding communities during construction. Therefore, Redeveloper agrees that it will take all steps reasonably necessary to minimize the passage of excessive or unwarranted illumination, noise or pollution into the surrounding communities during construction. Redeveloper shall take measures necessary to ensure that the improvements within the perimeter of the Project Area shall not be damaged or disturbed during construction. To the extent any damage or disturbance occurs within the perimeter of the Project Area as a result of Redeveloper's negligence during its construction activities, Redeveloper shall repair or replace such damage or disturbance to its original condition at its sole cost and expense. Redeveloper shall be bound by any conditions imposed by the Planning Board, which has jurisdiction with respect to illumination issues related to the Project and will address the issue in the context of review of site plan applications.

Section 8.9 Maintenance and Landscaping. During construction but not during demolition and clearing of the Project Area, Redeveloper shall keep the Project Area free from any substantial accumulation of debris or waste materials. Following completion of construction, Redeveloper will be bound by any conditions imposed by the Planning Board, which has jurisdiction with respect to maintenance and landscaping issues related to the Project and will address the issue in the context of review of site plan applications.

Section 8.10 Speculative Development. Redeveloper represents its undertakings pursuant to this Agreement are for the purpose of redevelopment of the Project Area and not for speculation in land holding. Redeveloper shall not use the Project Area, or any part thereof, as collateral for an unrelated transaction.

Section 8.11 Affordable Housing Requirement. The developer shall pay to the Borough's Affordable Housing Trust Fund in the amount of 1.5% of the equalized assessed value for each unit. Fifty percent (50%) of that payment will be paid upon receipt of the building permit for that particular unit. The remainder shall be paid upon issuance of the Certificate of Occupancy for that particular unit.

ARTICLE IX INSURANCE

Section 9.1 General Requirements. From and after the date of execution of this Redevelopment Agreement, Redeveloper shall provide and maintain, or cause to be maintained, insurance for the Project Area in the Redevelopment Area as provided below until a Final Certificate of Completion has been issued with regard to the Project.

Redeveloper shall furnish the Borough with satisfactory proof that it has obtained the insurance described below from insurance companies or underwriters reasonably satisfactory to the Borough. The Borough shall be an additional named insured party under all applicable insurance policies, except the insurance for workers compensation. Redeveloper shall furnish to the Borough certificates for the following types of insurance showing the type, amount, and class of operations insured, and the effective and expiration dates of the policies. The certificates shall be submitted promptly upon execution of this Agreement and Redeveloper shall not be entitled to exercise any rights hereunder until the certificate has been received and verified. Specific reference to this Redevelopment Agreement shall be made in all policies.

Section 9.2 Insurance Required. (a) All insurance policies required by this Article IX shall be obtained from insurance companies licensed to conduct business in the State and rated at least A- in Best's Insurance Guide.

(b) All insurance policies required by this Section shall be non-assessable and shall contain language to the effect that (1) the policies are primary and noncontributing with any insurance that may be carried by the Borough, (2) to the extent available, that the policies cannot be canceled or materially changed except after thirty (30) days' written notice by the insurer to the Borough, and (3) the Borough shall not be liable for any premiums or assessments. All such insurance shall have deductibility limits reasonably satisfactory to the Borough. Redeveloper shall be responsible to pay any deductible amount under all insurance policies.

(c) Redeveloper shall furnish or cause to be furnished to the Borough evidence satisfactory to the Borough of Commercial General Liability Insurance, and Umbrella Excess Liability Coverage, insuring Redeveloper against losses, costs, liabilities, claims, causes of action and damages for bodily injury, property damage and personal injury on the Project Area in the Redevelopment Area, or related to the construction thereon, including claims made by subcontractor personnel, in the amounts set forth in **Exhibit H**. Such insurance shall include blanket contractual liability coverage. All such policies shall be written to apply to all bodily injury, property damage, personal injury and other customary covered losses, however occasioned, occurring during the policy term, and shall be endorsed to add the Borough as an additional insured and to provide that such coverage shall be primary and that any insurance maintained by the Borough shall be excess insurance only. Such coverage shall be endorsed to waive the insurer's rights of subrogation against the Borough.

(d) Redeveloper shall furnish or cause to be furnished to the Borough evidence satisfactory to the Borough of Builder's Risk Insurance for the benefit of Redeveloper (subject and subordinate to the interests of any lender or Holder), during the term of construction, sufficient to protect against loss or damage resulting from fire and lightning, the standard extended coverage perils, vandalism, and malicious mischief. The limits of liability will be as set forth in **Exhibit H**, including items of labor and materials, whether in or adjacent to the structures insured, connected therewith, and materials in place or to be used as part of the permanent construction of the Project.

(e) Redeveloper shall furnish or cause to be furnished to the Borough evidence satisfactory to the Borough, and any General Contractors with whom it has contracted for the construction of the Project shall carry workers' compensation insurance as required by law and an employer's liability insurance endorsement with customary limits, and shall be endorsed with a waiver of subrogation clause for the Borough.

(f) Redeveloper shall furnish or cause to be furnished to the Borough evidence reasonably satisfactory to the Borough that any consultant with whom it has contracted for the design of the Project carries errors and omissions insurance, naming the Borough as an additional insured, with limits reasonably acceptable to the Borough.

ARTICLE X INDEMNIFICATION

Section 10.1 Redeveloper's Indemnity. (a) Redeveloper covenants and agrees, at its sole expense, to pay and to indemnify, protect, defend and hold the Borough and its employees, officers and agents (the "**Borough Indemnified Parties**") harmless from and against all Claims resulting from or in any way connected with the acquisition, condemnation, condition, use, possession, conduct, management, planning, design, construction, or installation, of the Project on the Project Area, or other cause of action arising from the nexus of the Borough to Redeveloper as a result of this Redevelopment Agreement or the Financial Agreement, including but not limited to, the death of any person or any accident, injury, loss, and damage whatsoever caused to any person or to the property of any person that shall occur on the Project Area and that, with respect to any of the foregoing, are directly related to or resulting from any negligence or willful misconduct of Redeveloper, its agents, servants, employees, or contractors.

(b) In any situation in which the Borough Indemnified Parties are entitled to receive and desire defense and/or indemnification by Redeveloper, the Borough Indemnified Parties shall give prompt notice of such situation to Redeveloper. Failure to give prompt notice to Redeveloper shall not relieve Redeveloper of any liability to indemnify the Borough Indemnified Parties, unless such failure to give prompt notice materially impairs Redeveloper's ability to defend. Redeveloper shall be not responsible for the legal fees or costs associated with the defense of the Borough unless Redeveloper has been given notice of a claim and Redeveloper or its insurance carrier refuse to provide the Borough with a defense under such circumstances as Redeveloper is required to do so. Upon receipt of such notice, Redeveloper shall resist and defend any action or proceeding on behalf of the Borough Indemnified Parties, including the employment of counsel reasonably acceptable to the Borough Indemnified Parties, the payment of all expenses and the right to negotiate and consent to settlement. All of the Borough Indemnified Parties shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such separate counsel shall be at the expense of the indemnified party unless the employment of such counsel is specifically authorized in advance by Redeveloper, provided, however, that if the defense of such action is assumed by Redeveloper's insurance carrier,

employment of such separate counsel by the Borough Indemnified Parties shall be at the sole discretion of such carrier, as provided in its endorsement of insurance. Redeveloper shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of Redeveloper or if there is a final judgment against Redeveloper in any such action, Redeveloper shall indemnify and hold harmless the Borough Indemnified Parties from and against any loss or liability by reason of such settlement or judgment for which the Borough Indemnified Parties are entitled to indemnification hereunder.

(c) Notwithstanding anything to the contrary in this Article X, Redeveloper's indemnity shall not extend to any claims if caused by or as a result of the gross negligence, unlawful conduct or willful misconduct of the Borough, Borough Representatives, or their respective employees, officers or agents.

Section 10.2 Survival of Indemnity. The provisions of this Article X shall survive the termination of this Redevelopment Agreement due to an Event of Default by the indemnifying Party and shall exist until such time as Redeveloper's covenants under the Declaration are discharged as a result of the recording of a Certificate of Completion, as applicable, provided, however, that until such time, such indemnity shall be binding on Redeveloper itself, each successor in interest to the Project, the Project Area, or any part thereof, and each party in possession or occupancy, respectively, only for such period as Redeveloper or such successor or party shall have title to the Project Area, the Project Improvements or any part thereof.

ARTICLE XI RESTRICTIONS ON TRANSFER

Section 11.1 Prohibition Against Transfers. Redeveloper recognizes the importance of the Project to the general welfare of the community and that the identity of Redeveloper and its qualifications are critical to the Borough in entering into this Redevelopment Agreement. The Parties acknowledge and agree that a change in ownership of Redeveloper from that which is noted in **Exhibit D** attached hereto, or any other act or transaction involving or resulting in a significant change with respect to the identity of the parties in control of Redeveloper is, for practical purposes, a transfer or disposition of the Project then owned by Redeveloper.

Except for Permitted Transfers, prior to the issuance of a Final Certificate of Completion, Redeveloper shall not, without the prior written consent of the Borough, which consent shall not be unreasonably withheld, conditioned or delayed: (a) effect or permit any change, directly or indirectly, in the control of Redeveloper (except in the case of death of an individual(s) having or affecting such ownership or control), (b) assign or attempt to assign this Redevelopment Agreement or any rights herein or in the Project Area, or (c) until a Certificate of Completion has been issued for the Property in accordance with the Redevelopment Plan, Redeveloper shall not sell, lease or otherwise transfer all or any portion of the Property without the written consent of the Borough, provided however that nothing contained in the Redevelopment Agreement shall prevent Redeveloper from entering into contracts or leases that are conditioned upon obtaining a

Certificate of Occupancy or Certificate of Completion as applicable (collectively a “**Transfer**”); provided, however, that these restrictions shall not be in effect following the issuance of the Certificate of Completion, provided Redeveloper constructs on the Property the Project in accordance with the Redevelopment Plan.

Section 11.2 Permitted Transfers. The following Transfers are exceptions to the prohibitions of this Article XI and the Borough’s consent is deemed given hereby (the “**Permitted Transfers**”), provided that notice of same is given to the Borough as required in Section 11.3 below: (a) a mortgage or related security (including conditional assignments to mortgagees or Holders required as a condition to the closing of the financing so secured) granted by Redeveloper to a Holder or of a Project tenant to a leasehold mortgagee, provided further that the occurrence of an Event of Default as to Redeveloper hereunder constitutes an event of default under the loan documentation for such financing; (b) mortgages, leases, and other liens and encumbrances for the purpose of financing the costs associated with, or incurred in connection with the acquisition, development, construction and or utilization of the Project; (c) the Declaration, provided that such Declaration shall otherwise be in compliance and consistent with the Redevelopment Plan and this Agreement; (d) utility and other development easements; (e) an urban renewal entity created and controlled by Redeveloper as required by the Long Term Tax Exemption Law, as amended from time to time; (f) a lease to a tenant occupying premises in the Project for the purpose of operating a permitted business of that Tenant as a part of the intended use of the Project, (g) an Affiliate of the Redeveloper; (h) transfers to immediate family members (including but not limited to parents, siblings, spouses and children of the owners of the Redeveloper) or trusts established for the benefit of same for estate planning purposes; (i) the Transfer of any interest in this Agreement or in any portion of the Project Area to a Transferee Controlled by, or controlling, the Redeveloper (or Controlled by, or controlling, one or more members of the Redeveloper with Control of the Redeveloper) and provided the Transferee is subject to the applicable terms of this Agreement; and (j) the lease and/or sale of a Unit. Notice of a sale of a unit shall be deemed to have been given by the Redeveloper to the Borough upon the request for a Certificate of Occupancy for a Unit.

Section 11.3 Notice of Permitted Transfers. With respect to any Permitted Transfers, Redeveloper shall provide to the Borough written notice at least twenty (20) days prior to such Permitted Transfers, including a description of the nature of such Permitted Transfers, and the name(s) and address(es) of the parties and any parties, individuals and/or entities comprising such parties.

Section 11.4 Transfers Void. Any transfer of Redeveloper’s interest in violation of this Article XI shall be an Event of Default of Redeveloper and shall be null and void *ab initio*. Such Event of Default shall entitle the Borough to seek all remedies available under the terms hereof, and those available pursuant to law or equity, including termination of this Redevelopment Agreement. In the absence of Permitted Transfer or specific written consent by the Borough, no such sale, transfer, conveyance or assignment of the Project Area or Project Improvements, shall be deemed to relieve Redeveloper from any obligations under this Redevelopment Agreement. The Declaration shall contain a restriction against transfers as set forth in this Article XI and, in

addition, shall provide that in the event of any attempted transfer in violation of the restrictions in this Article XI the Borough shall be entitled to seek issuance of an injunction restraining such transfer. Provided the Borough is adjudicated the prevailing party by the final and unappealable judgment of a court of competent jurisdiction the Borough is entitled the award of legal fees and related expenses of the Borough reasonably incurred by the Borough in connection with any such legal action. Upon the recording of the Declaration in the Office of the Monmouth County Clerk, the provision affording such injunctive relief shall have the same force and effect as a Notice of Lis Pendens. Upon recording of the Certificate of Project Completion, the provisions of the Declaration set forth in this Article XI shall be deemed terminated for the relevant Project Phase.

ARTICLE XII

EVENT OF DEFAULT, REMEDIES

Section 12.1 Events of Default. Either of the Parties shall have the right to declare the other Party in default of this Agreement if any of the following events (each an “**Event of Default**”) occur:

(a) Subject to Section 2.5, material failure of either Party to substantially observe and perform any covenant, condition, representation, warranty or agreement hereunder and continuance of such failure for thirty (30) days after receipt by the defaulting party of a written notice of default (the “**Default Notice**”) from the non-defaulting party specifying in sufficient detail, accompanied by any relevant documentation therefore, of (i) the nature and extent of such failure, (ii) what action is required to remedy such default and (iii) requesting that such failure be remedied; provided, however, if the breach of any such covenant, condition, representation, warranty or agreement is one which cannot be completely remedied within thirty (30) days after such written notice has been given, it shall not be an Event of Default as long as the defaulting Party has commenced the cure within the thirty (30) day period after receipt of a Default Notice and is proceeding with due diligence to remedy the same as soon as practicable but in no event later than the later of: (x) one hundred twenty (120) days after such written notice, or (y) a date agreed to by the Parties to reach compliance; or

(b) Redeveloper materially defaults in or materially violates obligations with respect to design, development and construction of the Project in accordance with this Redevelopment Agreement, the Redevelopment Plan, Governmental Approvals or Applicable Law, and any such default, or violation shall not be cured, ended or remedied within sixty (60) days after written demand by the Borough to do so, provided, however, if the default or violation is one which cannot be completely remedied within sixty (60) days after such written notice has been given, it shall not be an Event of Default as long as Redeveloper has commenced the cure within the sixty (60) day period after receipt of a Default Notice and is proceeding with due diligence to remedy the same as soon as practicable but in no event later than the later of: (x) one hundred twenty (120) days after such written notice, or (y) a date agreed to by the Parties, to reach compliance; or

(c) Redeveloper fails to substantially comply with the Project Schedule, as the same

may be modified or extended from time to time in accordance with this Agreement, or shall abandon or substantially suspend construction work for a period of sixty (60) consecutive days (subject to the provisions of Sections 2.5 and 2.7) and any such default, or violation shall not be cured, ended, or remedied within sixty (60) days after written demand by the Borough to do so, provided, however, if the default or violation is one which cannot be completely remedied within ninety (90) days after such written notice has been given, it shall not be an Event of Default as long as Redeveloper has commenced the cure within the sixty (60) day period after receipt of a Default Notice and is proceeding with due diligence to remedy the same as soon as practicable but in no event later than the later of: (x) one hundred twenty (120) days after such written notice, or (y) a date agreed to by the Parties, to reach compliance; or

(d) Redeveloper causes a Transfer or assignment prohibited under this Agreement and any such default, or violation shall not be cured, ended, or remedied within forty-five (45) days after written demand by the Borough to do so; or

(e) Redeveloper or its successor in interest (except for third parties to which a portion of the Project has been conveyed in the ordinary course of business) fails to pay any real estate taxes, assessments, payments in lieu of taxes on the Project Area or any part thereof prior to the imposition of any penalty therefore, or shall place on the Project Area any encumbrance or lien unauthorized by this Agreement and such real estate taxes payments in lieu of taxes, encumbrance or lien have not been paid, removed or discharged or provision satisfactory to the Borough made for such payment, removal or discharge within sixty (60) days after written demand by the Borough to do so; or

(f) (i) Subject in all cases to Applicable Law, Redeveloper shall have applied for or consented to the appointment of a custodian, receiver, trustee or liquidator of all or a substantial part of its assets; (ii) a custodian shall have been legally appointed with or without consent of Redeveloper; (iii) Redeveloper (1) has made a general assignment for the benefit of creditors, or (2) has filed a voluntary petition in bankruptcy or a petition or an answer seeking an arrangement with creditors or has taken advantage of any insolvency law; (iv) Redeveloper has filed an answer admitting the material allegations of a petition in any bankruptcy or insolvency proceeding; (v) Redeveloper shall take any action for the purpose of effecting any of the foregoing; (vi) a petition in bankruptcy shall have been filed against Redeveloper and shall not have been dismissed or stayed for a period of one hundred twenty (120) consecutive days from the date of filing; (vii) an order for relief materially affecting the rights of the Borough under this Redevelopment Agreement shall have been entered with respect to or for the benefit of Redeveloper, under the United States Bankruptcy Code; (viii) an order, judgment or decree shall have been entered, without the application, approval or consent of Redeveloper, by any court of competent jurisdiction appointing a receiver, trustee, custodian or liquidator of Redeveloper, or a substantial part of its assets and such order, judgment or decree shall have continued unstayed and in effect for any period of ninety (90) consecutive days; or (ix) Redeveloper shall have suspended the transaction of its ordinary business activities for more than ninety (90) consecutive days.

(g) A representation made by Redeveloper in Article V was false on the Effective Date.

(h) Redeveloper violates a covenant set forth in Article VI, subject to the notice and cure periods set forth above, to the extent applicable.

Section 12.2 Remedies Upon Default; Termination. (a) Upon an Event of Default by the Borough which is continuing and remains uncured beyond any applicable notice and cure dates, Redeveloper may take whatever action at law or in equity, as may appear necessary or desirable to enforce the performance or observance of any rights under this Agreement, including an action for specific performance or damages. Further, Redeveloper shall have the right to terminate this Agreement upon sixty (60) days written notice to the Borough, in which event the Declaration shall be null and void and the Borough shall discharge same of record.

(b) Upon an Event of Default by Redeveloper which is continuing and remains uncured beyond applicable notice and cure dates, the Borough may terminate this Agreement and/or take whatever action at law or in equity, as may appear necessary or desirable to enforce the performance or observance of any rights under this Agreement, including an action for specific performance or damages. Further, the Borough shall have the right to terminate this Agreement upon sixty (60) days written notice to Redeveloper, provided, however, that upon issuance of any Certificate of Project Completion, the Borough shall no longer hold any right to terminate this Agreement for an Event of Default or otherwise with regard to the Project a Certificate of Completion has been issued.

(c) In the event that either Party exercises its right to termination pursuant to Section 3.1(d) and (e) and Section 5.3, the terminating Party shall provide the other Party with not less than thirty (30) days prior written notice of such election. Within thirty (30) days of such termination: (i) Redeveloper shall pay to the Borough all outstanding Borough Costs; and (ii) upon full payment of all Borough Costs, the Borough shall return the balance of the amounts, if any, in the Escrow Account. In such case neither Party shall have any further rights, claims or obligations against the other Party arising out of this Redevelopment Agreement with respect to the Phases so terminated.

Section 12.3 Force Majeure. Performance by either Party hereunder shall not be deemed to be in default where delays or failure to perform are the result of the following acts, events or conditions or any combination thereof that has had or may be reasonably expected to have a direct, material, adverse effect on the rights or obligations of the Parties to this Redevelopment Agreement; provided, however, that such act, event or condition shall be beyond the reasonable control of the Party relying thereon as justification for not performing an obligation or complying with any condition required of such Party under the terms of this Redevelopment Agreement (“**Force Majeure**”):

(a) An act of God, lightning, blizzards, hurricane, tornado, earthquake, acts of public enemy, war (whether or not declared), terrorism, blockade, insurrection, riot or civil disturbance,

sabotage or similar occurrence, but not including reasonably anticipated weather conditions for the geographic area of the Project, other than those set forth above (such events being required to physically affect a Party's ability to fulfill its obligations hereunder; the consequential effect of such events (e.g., impact on market conditions) shall not be considered a Force Majeure event);

(b) A landslide, fire, explosion, flood or release of nuclear radiation not created by an act or omission of either Party;

(c) The order, judgment, action or inaction and/or determination of any Governmental Body (other than the Borough when acting in conformance with this Redevelopment Agreement) with jurisdiction within the Borough, excepting decisions interpreting federal, State and local tax laws generally applicable to all business taxpayers, adversely affecting the construction of the Project; provided, however, such order, judgment, action and/or determination shall not be the result of the willful, intentional or negligent action or inaction of the Party relying thereon and that neither the contesting of any such order, judgments, action and/or determination, in good faith, nor the reasonable failure to so contest, shall constitute or be construed as a willful, intentional or negligent action or inaction by such party;

(d) The suspension, termination, interruption, denial or failure of or delay in renewal or issuance of any other Governmental Approval, provided, however, such suspension, termination, interruption, denial or failure of or delay in renewal or issuance shall not be the result of the willful, intentional or negligent action or inaction of the Party relying thereon and that neither the contesting of any such suspension, termination, interruption, denial or failure of renewal or issuance, in good faith, nor the reasonable failure to so contest, shall constitute or be construed as a willful, intentional or negligent action or inaction by such Party. Delay in issuance of a Governmental Approval resulting from Redeveloper's failure to make an administratively complete submission for a Governmental Approval shall not be an event of Force Majeure; or

(e) Strikes, lockouts, slowdowns, labor unrest, or similar labor action by trade unions or any of their members, equipment manufacturers, suppliers of material and/or transporters of same.

Section 12.4 Default Notice to Holders. Upon the occurrence of an Event of Default by the Redeveloper, the Borough shall afford to any Holder all notices and rights in accordance with the terms of Section 4.4 of this Agreement.

Section 12.5 Remedies Cumulative. No remedy conferred by any of the provisions of this Redevelopment Agreement is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. The election of any one or more remedies shall not constitute a waiver of the right to pursue other available remedies.

Section 12.6 Litigation Costs. In the event that a Party successfully pursues an action

to enforce any remedy provided in this Article XII that Party shall be entitled to seek payment by the other Party of all reasonable costs and expenses incurred in connection with such action.

Section 12.7 Mitigation. The Parties shall act reasonably to mitigate any damages that may be incurred as the result of an Event of Default hereunder.

Section 12.8 Survival of Termination. The provisions of this Article XII shall survive the termination of this Redevelopment Agreement as a result of an Event of Default by Redeveloper.

Section 12.9 Use of Documents. Redeveloper hereby agrees that is shall provide to the Borough, copies of all documents, reports, studies and analyses prepared by it or on its behalf in connection with the Project. Upon termination of this Agreement, Redeveloper hereby agrees that the Borough has the right to all such documents, including but not limited to the Governmental Applications and Governmental Approvals, without cost to the Borough in furtherance of the Project.

Section 13.12 Counterparts. This Agreement may be executed in counterparts. All such counterparts shall be deemed to be originals and together shall constitute one and the same instrument.

Section 13.13 Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto and supersedes all prior oral and written agreements between the parties with respect to the subject matter.

Section 13.14 Waiver. No waiver made by any Party with respect to any obligation of any other Party under this Agreement shall be considered a waiver of any other rights of the Party making the waiver beyond those expressly waived in writing and to the extent thereof.

Section 13.15 Counting of Days; Saturday, Sunday, or Holiday. The word "days" as used in this Agreement shall mean calendar days unless a contrary intention is stated, provided that if the final date of any period provided herein for the performance of an obligation or for the taking of any action falls on a day other than a Business Day, then the time of such period shall be deemed extended to the next Business Day. The term "Business Day" as used herein means any day other than a Saturday, Sunday, or a day on which banks and public offices are not open under the laws of the State.

Section 13.16 Review by Counsel. WHEREAS, the Local Redevelopment and Housing Law, *N.J.S.A. 40A:12A-1 et seq.*, as amended from time to time (the "**Redevelopment Law**") authorizes municipalities to determine whether certain parcels of land in the municipality constitute "areas in need of redevelopment," as defined in the Redevelopment Law; and

WHEREAS, the Borough Council of the Borough (the "**Borough Council**") adopted ordinances which designated the area known as Block 117, Lots 3, 4 and 5 (the "**Redevelopment Area**") as an area in need of redevelopment pursuant to Section 5 of the Redevelopment Law; and

WHEREAS, on August 13, 2003, the Borough Council adopted ordinance #2003-18, which designated the "Seaport Redevelopment Plan" prepared by Schoor DePalma, Inc. dated June

3, 2003 (the “**Original Redevelopment Plan**”) as the redevelopment plan for the Seaport Redevelopment Area; and

WHEREAS, the Borough Council adopted the “Redevelopment Plan Update” prepared by Maser Consulting, P.A. dated April 15, 2011 as the amended redevelopment plan and on March 7, 2012 the Borough Council adopted ordinance #2012-02 which approved and adopted further amendments to the Original Redevelopment Plan (collectively, the “**Amended Redevelopment Plan**”); and

WHEREAS, on July 20, 2016, the Borough Council adopted a resolution designating the property commonly known as Block 106, Lots 5 and 6 (the “**Property**”), amongst other parcels, on the tax map of the Borough as an area in need of redevelopment without the power of condemnation, to be included with the Seaport Redevelopment Area (the “**Expanded Seaport Redevelopment Area**”); and

WHEREAS, on July 20, 2016, the Borough Council adopted Ordinance No. 2016-10, which amended the Seaport Redevelopment Plan to include the Expanded Seaport Redevelopment Area (the “**Amended and Restated Redevelopment Plan**”), and later adopted Ordinance No. 2018-13 concerning certain other development standards in the Expanded Seaport Redevelopment Area; and

WHEREAS, Redeveloper has made application to be designated as the redeveloper for the Property, for which Redeveloper is the owner or contract purchaser, and Redeveloper has provided information consisting of documentation evidencing financial responsibility and capability with respect to the Project (as defined herein), estimated total development costs, and estimated time schedule for commencement and completion of construction; and

WHEREAS, in order to implement the development, financing, construction, operation and management of the Project, the Borough has determined to enter into this Agreement with Redeveloper, which specifies the rights and responsibilities of the Borough, designates Redeveloper as redeveloper of the Project Area and specifies the rights and responsibilities of Redeveloper with respect to the Project; and

WHEREAS, *N.J.S.A. 40A:12A-9(a)* of the Local Redevelopment and Housing Law requires that all agreements, leases, deeds and other instruments between a municipality and a redeveloper shall contain a covenant running with the land requiring, among other things, that “. . . the owner shall construct only the uses established in the current redevelopment plan . . .”; and

WHEREAS, the Redevelopment Agreement contains such a covenant by the Redeveloper and its successor or assigns for as long as the Redevelopment Agreement remains in effect, as well as perpetual covenants by the Redeveloper and its successor or assigns not to unlawfully discriminate upon the basis of age, race color creed, religion, ancestry, national origin, sex or familial status in the sale, lease, rental, use or occupancy of the Redevelopment Area or any

building or structures erected thereon, to comply with Applicable Laws, Governmental Approvals, the Redevelopment Agreement and the Redevelopment Plan and to maintain in good condition any improvements made on the Property in accordance with the Redevelopment Agreement; and

WHEREAS, the Redevelopment Agreement also provides that the Property, the Redevelopment Agreement, and Redeveloper's interest therein shall not be transferable, subject to certain conditions, prior to the issuance of a Certificate of Completion and further provides certain remedies to the Borough for violations of the covenants and defaults under the Redevelopment Agreement; and

WHEREAS, the Redevelopment Agreement requires that such covenants be memorialized in a Declaration of Covenants and Restrictions and said declaration be recorded in the office of the Monmouth County Register,

NOW THEREFORE, IT IS AGREED AS FOLLOWS:

Section 1. Defined terms not otherwise defined herein shall have the meaning assigned to such terms in the Redevelopment Agreement.

Section 2. Redeveloper covenants and agrees that:

(A) Redeveloper shall construct on the Property the Project in accordance with the Redevelopment Plan.

(B) Until a Certificate of Completion has been issued for the Property in accordance with the Redevelopment Plan, Redeveloper shall not sell, lease or otherwise transfer all or any portion of the Property except to individual Units upon the issuance of a Certificate of Occupancy without the written consent of the Borough, provided however that nothing contained in the Redevelopment Agreement shall prevent Redeveloper from entering into contracts or leases that are conditioned upon obtaining a Certificate of Occupancy or Certificate of Completion as applicable. The Borough shall provide written releases from this Covenant to each Unit as Certificates of Occupancy are issued by the Borough.

(C) Redeveloper shall, in connection with its use or occupancy of the Project, not effect or execute any covenant, agreement, lease, conveyance or other instrument whereby the Property are restricted upon the basis of age, race, color, creed, religion, ancestry, national origin, sexual orientation, sex or familial status, and Redeveloper, its successors and assigns, shall comply with all Applicable Laws prohibiting discrimination or segregation by reason of age, race, color, creed, religion, ancestry, national origin, sexual orientation, sex or familial status.

(D) Redeveloper shall, upon Completion of Construction, obtain all Government Approvals required authorizing the occupancy and uses of the Property for the purposes contemplated hereby.

(E) Redeveloper shall cause the Project to be developed, financed, constructed, operated and maintained at its sole cost and expense.

(F) Redeveloper shall develop, finance, construct, operate and maintain the Project consistent with Applicable Laws, Government Approvals, the Redevelopment Plan, and this Redeveloper Agreement including the obligation to use commercially reasonable efforts to meet all deadlines and timeframes set forth in this Redeveloper Agreement.

(G) Redeveloper shall not encumber, hypothecate or otherwise use the Property, or any part thereof as collateral for any transaction unrelated to the Project.

(H) Redeveloper will promptly pay all outstanding Borough Costs, and any and all taxes, service charges or similar obligations when owed to the Borough with respect to any property situated in the Borough.

(I) Redeveloper shall, during construction of the Project, take commercially reasonable steps to minimize or mitigate impacts on the surrounding neighborhood (such as, for example, noise and dust controls), and keep debris and/or waste materials containerized and/or stored and disposed of, all within normal industry standards.

Section 3. It is intended and agreed that the covenants and restrictions set forth in Section 2 of this Declaration shall run with the land and that they shall, in any event, and without regard to technical classification or designation, legal or otherwise, and except only as otherwise specifically provided in the Redevelopment Agreement and this Declaration, be binding, to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by, the Borough, its successors and assigns, and any successor in interest to the Property, or any part thereof, against Redeveloper, its successors and assigns and every successor in interest therein, and any person in possession or occupancy of the Project Parcels or any part thereof. The covenants and restrictions herein shall be binding on Redeveloper itself, each successor in interest to Redeveloper and each party in possession or occupancy, respectively, only for such period as Redeveloper or such successor or party shall be in possession or occupancy of the Property, the Project or any part thereof.

Section 4. In amplification, and not in restriction, of the provisions of Section 2 of this Declaration, it is intended and agreed that the Borough and its successors and assigns shall be deemed beneficiaries of the covenants and restrictions set forth in the Redevelopment Agreement and this Declaration, both for and in their own right but also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such covenants and restrictions have been provided. Such covenants and restrictions shall run in favor the Borough for the entire period during which such covenants and restrictions shall be in force and effect, without regard to whether the Borough has at any time been, remains, or is an owner of any land or interest therein. The Borough shall have the right, in the event of any material

breach of any such covenant or restriction, to exercise all the rights and remedies and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breach of covenant or restrictions, to which it or any other beneficiaries of such agreement or covenant may be entitled.

Section 5. Upon redevelopment of the Property and completion of each Unit of the Project, the covenants contained herein shall terminate as to such Unit and this Declaration will be discharged. Upon completion of all ten (10) Units and the issuance of a Certificate of Occupancy or completion of the common area improvements for the Project, this Declaration will be discharged of record entirely upon Redeveloper's receipt of a Certificate of Completion and termination of the Redevelopment Agreement pursuant to Section 2.3 thereof for the Project, provided however, that the covenants in Section 2(C) shall remain in effect without limitation as to time.

IN WITNESS WHEREOF, the parties hereto have caused this Declaration to be properly executed and their corporate seals affixed and attested as of the date first written above.
