PUBLIC SESSION:

Linda Sharkus, 4th Avenue, would like to see benches back on the boardwalk.

Maria Rondinaro, Pinetree Way, asked if the grant application for the Silver Lake bridge was amended to remove the bridge. Mayor Walsifer replied no.

Mark Pfeiffer, 5th Avenue, would like the town to apply for the Monmouth County Open Space grant which is due in two days for the replacement of pickleball courts in Maclearie Park. Mr. Kirschenbaum stated it is a matching grant, which means the Borough would have to come up with \$125,000 and engineering costs. Mr. Pfeiffer stated he would fundraise for the money. Mayor Walsifer stated he will check with the Borough Engineer but does not think there is enough time to apply. He is working with a company that wants to resurface the basketball courts on 16th to hold a tournament next year. He is hoping he can get them to also resurface the tennis courts.

Jackie Harper, 6th Avenue, was concerned about the pickup and drop off at St. Rose Grammar School. Mayor Walsifer suggested they speak to Chief Scott to try to work out a solution.

Gerald Buccafusco, 409 5th Avenue, asked to continue the discussion on Ordinance 2020-33 and the hiring of Drew Huisman. He wants the Council to do an investigation on the administration. He asked if Mr. Huisman is working part time or full time. Mayor Walsifer stated he is allowed to work 40 hours at part time or temporary for nine months while we work it out with Civil Service. Mr. Kirschenbaum stated the prior administration did not keep the Civil Service database up to date. We are working on making a lot of changes. We are also looking into amending our ordinances which have not been updated since 1991. It is taking some time due to COVID-19. Ordinance 2020-33 will come back before the Council with some changes. Mr. Buccafusco stated the salary range for a part time employee in the ordinance is not in line with what Mr. Huisman is making. Mr. Kirschenbaum stated we will also be making changes to the salary ordinance. Mr. Buccafusco questioned why the Council did not approve his hiring. Mr. Kirschenbaum and Mr. Dasti explained they did approve it and there is no requirement that it be done by resolution.

Councilman Brennan made a motion to close the public session and adjourn the meeting, which was seconded by Mayor Walsifer and approved unanimously.

Respectively submitted,
