Historical Society Presents St. Rose Centennial Exhibit

In celebration of St. Rose High School's 100th anniversary, the Belmar Historical Society (BHS) is displaying photos, yearbooks and other memorabilia in Borough Hall that show how the educational institution has changed and grown through the years.

The exhibit includes a 1958 yearbook and a 1961 prom program, entitled "A Night in Shangri-La."

The Historical Society encourages everyone to stop by, hinting, "People may recognize themselves or family members in one of the class pictures on display in the exhibit."

One Belmar resident who may recognize faces is former Mayor and BHS Trustee Brian Magovern, who

enthused, “St. Rose Grammar and High Schools are responsible for the education of three generations of my Magovern family.”

St. Rose Church, which has been in Belmar since 1888, first opened its school on the corner of 8th Ave and E St in 1921. Two years later, the school added high school classes, with the first graduating high school class in 1927.
