Belmar Office of Emergency Management

Belmar Beach Operations
July 17, 2020

After a thorough review by the Belmar Office of Emergency Management, the Borough is limiting the number of daily beach badge sales to 7500 badges.

This number will fluctuate to a lower number based on the amount of season beach badge holders on the beach as well as the tides on any given day.

We will also continue to adhere to our COVID-19 Beach Social Distancing Plan.

Please remember that ball playing on all beaches is strictly prohibited.

We also ask that all our beachgoers utilize the trash containers on the beach and boardwalk.

Please remember for your safety our beach showers are touchless as they are activated by motion and there is no need to touch the shower or controls.

In compliance with the Governor's Executive Order, face masks are required outdoors when social distancing is not possible.
