The Freeholders also remind residents that Monmouth County's healthcare workers and first responders are in desperate need of personal protective equipment which has become increasingly scarce due to the ongoing battle against COVID-19.

Donations of personal protective equipment items are being accepted at Thompson Park, 805 Newman Springs Road, in Lincroft, from 9 a.m. until 4 p.m. on Monday through Friday. For additional information, or to arrange the drop-off of personal protective equipment, please call 732-842-4000, ext. 4312.
