

732-988-2525

At the request of **DeLisa Waste Services**, we are asking all our residents to please dispose of all **trash** in tightly tied trash bags and to refrain from placing loose items in dumpsters or trash containers. This will help minimize the exposure of COVID-19 to the committed staff at **DeLisa Waste Services**.

This pertains to **TRASH** pick-ups only. Please keep the recycling process the same. Recycling will still go into **32-gallon containers**, not bags.
