## **A Message from Chief Tina Scott 4/01/20**

### **Message from the Belmar Police Department:**

As most of you know, the Belmar Easter Egg Hunt scheduled for this Saturday has been canceled due to social distancing restrictions. The members of the Belmar Police Department and Department of Public Works understand how difficult this can be for young children, since we are also fathers and mothers ourselves. In an effort to bring some much needed smiles to the children of Belmar and Lake Como, we have organized a police escort for the Easter Bunny to visit families and deliver a special gift. On April 11th at 12pm members of the police department and public works will be traveling south from first avenue to all the households with children who register for this special visit. To be eligible for this visit all you need to do is email [Police@belmar.com](mailto:Police@belmar.com) with your Belmar/Lake Como address and the number of children who reside. To keep everyone safe and comply with the orders set by our governor, the Easter Bunny and his special helpers will be dropping off the gift to the front porch of these homes. As a community we will get through this and there will be better days ahead if we all do our part. We may not be able to stop the waves, but we can learn to surf. Please register by email no later than 3:00pm Friday April 10, 2020.
